[STATEMENT OF PROBABLE CAUSE / NARRATIVE]

On May 31, 2018, I received a Crime Stopper Tip in regards to a sex offense involving seventeen year old victim, Lauren Myres (25 yoa), whom is also a Family First Network Employee. The tip reported the parties were involved in a sexual relationship.

I made contact with the victim at the abovementioned residence. He denied having a sexual relationship with the defendant and gave me consent to search his phone. I observed a photograph in the victim's photo gallery displaying both parties kissing. I confronted the defendant about this photograph and he continued to deny having any type of sexual relationship with the defendant.

During a sworn non custodial interview with the defendant and she admitted to having sexual intercourse with the victim approximately 7 to 8 times at the abovementioned location and at her previous residence located at , FL. The defendant stated she knew it was wrong and allowed the sexual relationship to continue. The defendant also told the victim that what they were doing was illegal and the defendant was aware the victim was seventeen years old.

After the defendant was arrested, the victim then admitted to having sexual intercourse with the victim and did not believe it was wrong because he was not being "raped" and was "about to be 18".
